

# **St Anthony Program Description**

One of the most amazing aspect of our school is our team. Our team is comprised of a professional staff, dedicated parents and eager students. Our main focus is to provide a high quality French Immersion curriculum that ensures that our students become lifelong learners and responsible global citizens.

Our team focuses on the needs of all of our students and maintains a caring and supportive environment that encourages student potential and growth.

Our aim:-

- Nurture intellectual curiosity and actively involve students acquire knowledge through discovery.
- Promote lifelong learning through the development of good work habits and maintaining a positive attitude
- Exposure to local and global issues so that the students can make real world connections
- Develop understanding and respect for differences in culture and religious beliefs within the school
- Build a sense of belonging within the school, school community and beyond
- Develop an understanding of how we are all connected as human beings and a spirit of international mindedness

Our goals and objectives:-

- Inquiry-based learning
- Intensive French Immersion in K to Cycle 1 (85% French/15% English)
- 50/50 French Immersion in Cycle 2 & 3
