Anti-Bullying and Anti-Violence Plan
Lester B. Pearson School Board

June 18th 2024.

DATE OF GOVERNING BOARD APPROVAL

GOALS OF THE ANTI-BULLYING AND ANTI-VIOLENCE (ABAV) PLAN

- In compliance with the [Quebec Education Act](#) (QEA), the main purpose of the ABAV plan must be to prevent and stop all forms of bullying and violence targeting a student, a teacher or any other school staff member, **in particular those motivated by racism or homophobia or targeting sexual orientation, sexual identity, a handicap or a physical characteristic.** This plan specifies the duties and responsibilities of the relevant parties of the school **community** and the school **partners** in achieving this.

- Outline the responsibilities of all parties towards the elimination of bullying and violence in the school community, including the responsibility of parents to promote a positive and respectful school climate inside and outside school.

- School boards must see to it that each of their schools provides a healthy and secure learning environment that allows every student to develop their full potential, free from any form of bullying or violence.

- School boards must also ensure a healthy and secure working environment for their staff, and the staff must participate in ensuring a safe and respectful working climate.

- The plan is designed to support the optimal conditions required to guarantee the fundamental right to dignity, equality, and integrity, while respecting the unique character of each individual.

School Community Parties:

Students, Staff, School Administration, School Board, Governing Boards, & Parents.

School Partners:

Outside organizations including but not limited to bus companies, coaches, & volunteers.

"The Lester B. Pearson School Board believes that everyone in its community is entitled to a safe, healthy, secure, respectful and caring environment. DEFINITIONS as applied in ABAV

Bullying

- “the word “bullying” means any repeated direct or indirect behaviour, comment, act, or gesture, whether deliberate or not, including in cyberspace, which occurs in a context where there is a **power imbalance** between the persons concerned and which causes distress and injures, hurts, oppresses, intimidates or ostracizes” ([art. 13, par. 1.1, QEA](#)).

Violence

- “The word “violence” means any **intentional** demonstration of force of a verbal, written, physical, psychological or sexual nature which causes distress and injures, hurts, or oppresses a person by attacking their psychological or physical integrity or well-being, or their rights or property” ([art. 13, par. 3, QEA](#)).

Sexual Violence

- “The concept of sexual violence refers to any form of violence committed through sexual practices or by targeting sexuality, including sexual assault. It also refers to any other misconduct, including that relating to sexual and gender diversity, in such forms as unwanted direct or indirect gestures, comments, behaviours or attitudes with sexual connotations, including by technological means.”
<https://www.legisquebec.gouv.qc.ca/en/document/cs/p-22.1>

Racism

- “Corresponds to the “set of ideas, attitudes and actions whose purpose is to make ethnocultural and national groups feel inferior socially, economically, culturally and politically, thereby preventing them from benefitting fully from the advantages to which all citizens are entitled.” Racism discourse is usually based on real or presumed physical and cultural differences.” ([MIDI, 2015](#))

1. ANALYSIS OF THE SITUATION

Description of the findings that emerge from the situation analysis with respect to bullying and violence

The students feel a good sense of belonging at St. Anthony and form good relationships with their peers. There has been an increase in students being interested and motivated in their learning. The level of anxiety is higher than the Canadian norm in particular in girls. Whilst students feel safe attending school there is a concern that there is a level of physical, social or verbal bullying whether that be in person or online. Most students feel that there is someone with whom they can talk about any concerns and that there are positive teacher-student relationships in the school.

Priorities identified with respect to bullying and violence

1. Increase the sense of belonging at the school
2. Decrease the anxiety level in students
3. Increase problem-solving strategies to reduce peer conflicts and increase student advocacy

2. PREVENTION MEASURES

The ABAV plan must include prevention measures to put an end to all forms of bullying and violence, in particular those motivated by racism or homophobia or targeting sexual orientation, sexual identity, a handicap or a physical characteristic. Additionally, LBPSB sanctions its schools and centres to carry out measures to promote Equity, Diversity, Dignity, and Inclusion (E.D.D.I.) for all the parties of the school community and their partners.

Obligations of the QEA	
Ensuring a Safe and Caring School Climate	The rules of conduct and the safety measures must be presented to the students during a civics session held each year by the principal in collaboration with the school staff, and must be sent to the parents at the beginning of each school year. (art.76, QEA)
	The principal shall see to it that all school staff members are informed of the school's rules of conduct, safety measures and anti-bullying and anti-violence measures, and of the procedure to be followed when an act of bullying or violence is observed. (art. 96.21, QEA)
	During the month of September each year, the principal of a school providing education to students in the second cycle of the secondary level shall see to the formation of a student committee. (art.96.5, QEA)

This collaboration will enable us to continue to flourish and succeed in an atmosphere of mutual respect ([LBPSB Policy on Safe and Caring Schools](#)).

6. CONFIDENTIALITY

Reporting incidents of bullying or violence is the right thing to do. It allows everyone to obtain help and put an end to the situation. Reporting may cause discomfort in the person doing it, however, the school will take the necessary precautions to preserve confidentiality.

The measures to protect the confidentiality of any report or complaint concerning an act of bullying or violence are:

- Staff are reminded annually that every incident and the ensuing follow-up must be kept confidential.
- Communication with all parties will be discreet.
- All parties will be treated with respect, discretion and empathy.
- Details of applied disciplinary sanctions will be kept confidential as the law forbids that this information be communicated to other students or parents.

Other school-based measures, if necessary:

Is there anything you would like to add?

Findings				
<p>1. Having the student feel a sense of belonging to the school is an important factor in creating a successful environment. There has been a lot of work that has been put into creating an atmosphere where the students feel comfortable at St Anthony. Several initiatives have been introduced, especially for the Grade 4, 5 & 6 students, to take on leadership roles within the building. Some of these initiatives have been:-</p>				

- Creating a Kindness Committee (Grade 4)
- Helping the Kindergarten at recess & Drop-Off (Grade 6)
- Peer mentoring (Grade 6)
- Variety of clubs at recess (Grades 1 to 6)
- Green Club (Grade 4)
- Leading school assemblies (Grades 3 to 6)

We want to continue to complement what we have done with more initiatives to include more students.

These initiatives have been very successful and the students have fully embraced the responsibilities these initiatives require.

2. The anxiety level of students often depends on the students from year to year and which grade level they are in. The more the students are involved in the life of the school through activities and extracurricular activities the more students seem to be less anxious. The Zone (led by 2 Special Education Technicians) plays a major role in working with anxious students. They deal with issues through discussion, mediation and relaxation techniques. We are looking into other ways to alleviate the anxiety felt by some students. A lot of anxiety comes from peer relationships and transitioning to new classes. This could be done by having set periods in a day for groups of students to work on social skills and peer relationships.
3. Once again, the Special Education Technicians work closely with students to work through issues with peers. They go through strategies (on an individual basis) to resolve any conflicts that may come up. This could include:-
 - Using “I” statements
 - Breathing techniques
 - Avoiding the situation that provides conflict
 - Choosing alternative friends
 - Meditation
 - Reading books as examples
 - Writing down what is worrying them

Some of the measures have been successful and students have started to use “I” statements and breathing before resting but we will continue to put further measures in place to support the students to reduce conflict.
