2. April 28, 2025 - Federal Election Day (J. Preston)

As April 28, 2025 has become a Ped. Day due to the Federal Elections and that our building is being used as a polling station, the SEED program is partnering with St.Charles School and offering daycare services in their building, for safety considerations.

St. Anthony staff will be present at St.Charles school to receive our students following the regular SEED schedule. Hop Hop services will be available as per usual.

An outing to Ninja Factory in Brossard is being offered.

8:30am to 2:00pm - cost \$43 per student - travel by school bus - ratio 1:10

St.Anthony staff will also be present at St.Charles School for those students who will not go on the outing.

Motion to approve outing and change of venue for SEED on April 28, 2025:

Sylvie Girard, Sara Deschamps

Vote: Approved unanimously
