

Homework Help

THE QUEBEC GOVERNMENT HAS DEVELOPED A GUIDE TO HELPING YOUR CHILD WITH HOMEWORK. CLICK HERE TO OPEN THE HOMEWORK AND STUDYING GUIDE.

LEARN QUEBEC

Learn Quebec is a website with many resources for students. This website can be accessed by Lester B. Pearson students through their portal accounts. In order to get to the portal account, each student would need to go first to the Lester B. Pearson webpage. At the top of the page, click on Mozaik under 'Quick Links'. You will be brought to a login page. Your username for the portal is on the top right hand corner of the report card which was recently sent home. Your password is your 7 digit ID number, also on the report card. If you accessed the portal last year, and changed the password, it will be whatever you changed it to. If you don't remember what you changed it to, your teacher will be able to reset your password.

When you are in the portal, you will be prompted to change your password. When that is done, you're good to go! You have an email account there, as well as access to the LEARN Quebec resources. Take a moment to explore the site – it has lots to offer.

SOS LEARN

SOS LEARN is the new name for the FREE online tutoring service that LEARN has offered for the last two years. SOS reflects the immediate help offered by the live online homework help, and it also stands for Student Online Support that LEARN offers through this service and the helpful course materials and resources that students can also access 24/7.

Our students now have access to their own portal account. This includes email and links to other information, including the LEARN site. The students can access their portal accounts by clicking on Mozaik under 'Quick Links' at www.lbpsb.qc.ca.

They will be asked to input their user names and passwords which grades 3, 4, 5, and students have been given. Once logged into their portal account, they will find a blue icon for the LEARN website on the right side of the screen. They can access it simply by clicking on the icon. No formal login is required, since they are already logged into their portal account.

Students can log on any evening they need homework help. The full schedule is available by clicking on the SOS LEARN logo at www.learnquebec.ca.
